

## BIS Inc. Membership Application

BIS expects at least one parent in each family to be a member of the BIS Inc. Association, as well as all staff. Membership provides you with voting rights for the board elections at the AGM. We encourage all families to attend the yearly AGM, normally held in May, to hear the yearly Board presentation and find out what is happening in your school now and future planning. But more importantly, being a community school, we encourage your input and contributions and this is one of the opportunities where you get to do just that.

Please contact the Office for an extra form if both parents want to become members of the association. Membership is \$20 per year per member, and you will be invoiced for this at the start of Term 2, so there is no need to pay anything now. There is no fee applied to Life Members or families who are members under the G.H. & E.M. Job Indigenous Scholarship.
